04/20/2016	<u>71</u>	ORDER: The Court held an initial pretrial conference in this action on April 19, 2016. As stated at the conference, the following schedule shall govern: 1. For the following two weeks, the parties continue to negotiate in good faith regarding the scope of a narrowed Freedom of Information Act ("FOIA") request. 2. Not later than May 4, 2016, the parties shall submit a letter preferably jointly providing the outcome of such negotiations. 3. Such letter shall also state whether any party intends to move for summary judgment (or make any other procedurally appropriate motion) with regards to, for instance, burden or similar defense, and set forth a proposed schedule. 4. The parties shall work to prepare a "production grid" setting forth each agreed-to production item, custodian, and predicted production date. This grid shall be submitted to the Court not later than June 6, 2016. 5. The parties shall appear for a conference on Thursday, June 16, 2016, at 2 p.m. at which any issues regarding production timing shall be addressed. (Status Conference set for 6/16/2016 at 02:00 PM before Judge Katherine B. Forrest.) (Signed by Judge Katherine B. Forrest on 4/20/2016) (mro) Modified on 4/22/2016 (mro). (Entered: 04/21/2016)
05/04/2016	<u>72</u>	JOINT LETTER addressed to Judge Katherine B. Forrest from All Parties dated May 4, 2016 re: Joint Response to the Court's April 20, 2016 Order. Document filed by Department of Homeland Security's Office of Civil Rights and Civil Liberties, Department of Justice's Office of Information Policy, Department of Justice's Office of Legal Counsel, Executive Office For Immigration Review, Federal Bureau Of Investigation, United States Citizenship and Immigration Services, United States Customs and Border Protection, United States Department of Homeland Security, United States Department of Justice, United States Immigration and Customs Enforcement. (Attachments: # <u>1</u> Transcript of April 19, 2016 Conference, # <u>2</u> Plaintiffs' Appendix)(Waterman, Brandon) (Entered: 05/04/2016)
05/10/2016	<u>73</u>	ORDER: The Court received a joint letter from parties on May 4, 2016. In the letter, plaintiffs requested permission to submit a second, "narrowed" request on May 13, 2016. (ECF No. 72, at 4.) Defendants objected to plaintiffs' unilateral request to further narrow the request. (Id. at 2.) As the Court indicated clearly at the conference on April 19, 2016, the parties were to attempt to "reach... [an] agreement on the narrowed request." (Tr. 26:11–14.) This was referring to the first narrowed request submitted by plaintiffs on April 14, 2016. Nowhere did the Court indicate that plaintiffs could unilaterally submit yet another request. In fact, while the Court did not reject the possibility of moving forward on a narrowed request submitted after litigation has begun, it explicitly precluded the "version C" strategy that plaintiffs are employing now. (Tr. 16:23–17:1 ("If they do this, they're not going to be able to do this again in

		the litigation and come up with version C.")). The Court DENIES plaintiffs' request to submit a second narrowed request. In a decision to follow, the Court will rule on defendants' motion to strike portions of the first narrowed request and set a briefing schedule following its decision as further set forth in this order. (Signed by Judge Katherine B. Forrest on 5/10/2016) (lmb) (Entered: 05/10/2016)

ENDORSEMENT: The motion for an 18-day extension is granted on the understanding (based on the Government's representation in ECF No. 76) that such delay "should not significantly affect the dates when the Plaintiffs will receive documents".
